

Summary of Safety Steps taken for return of indoor in-person worship services at Lititz Moravian.
9/27/2020

We take your health very seriously and the following safety steps have been taken for return of indoor worship:

1. You will enter the church from the back entrance where attendance will be taken.
2. You will be required to wear face masks.
3. The corridor has been marked with 6 foot social distancing labels.
4. The pews have been marked for seating that maintains social distancing for non-family members in the north-south direction as well as the east-west direction per the seating plan that was developed.
 - a. Note with our fixed pew locations, utilizing every other pew as we did for communion only results in a 5'-2" separation. We will utilize every other 3rd pew that will result in a 7'-9" that exceeds the recommended social distancing guidelines.
 - b. At the conclusion of the services the ushers will dismiss the pews in an orderly fashion similar to a wedding dismissal.
5. A number of windows will be open for fresh air.
6. Air Scrubbers will have been installed in the air ducts for the air conditioning and heating ducts.
 - a. Air scrubber technology was originally developed in cooperation with NASA to create a safe atmosphere for astronauts on the International Space Station.
 - b. Protects you from dust, germs, mold, and pollen.
 - c. The technology uses specialized light waves along with a catalytic process that creates enviro-scrubbing molecules of oxygen and hydrogen which purify the air.
7. Surface cleaning will take place between the 8:00 and 10:30 service.

What can you do to help?

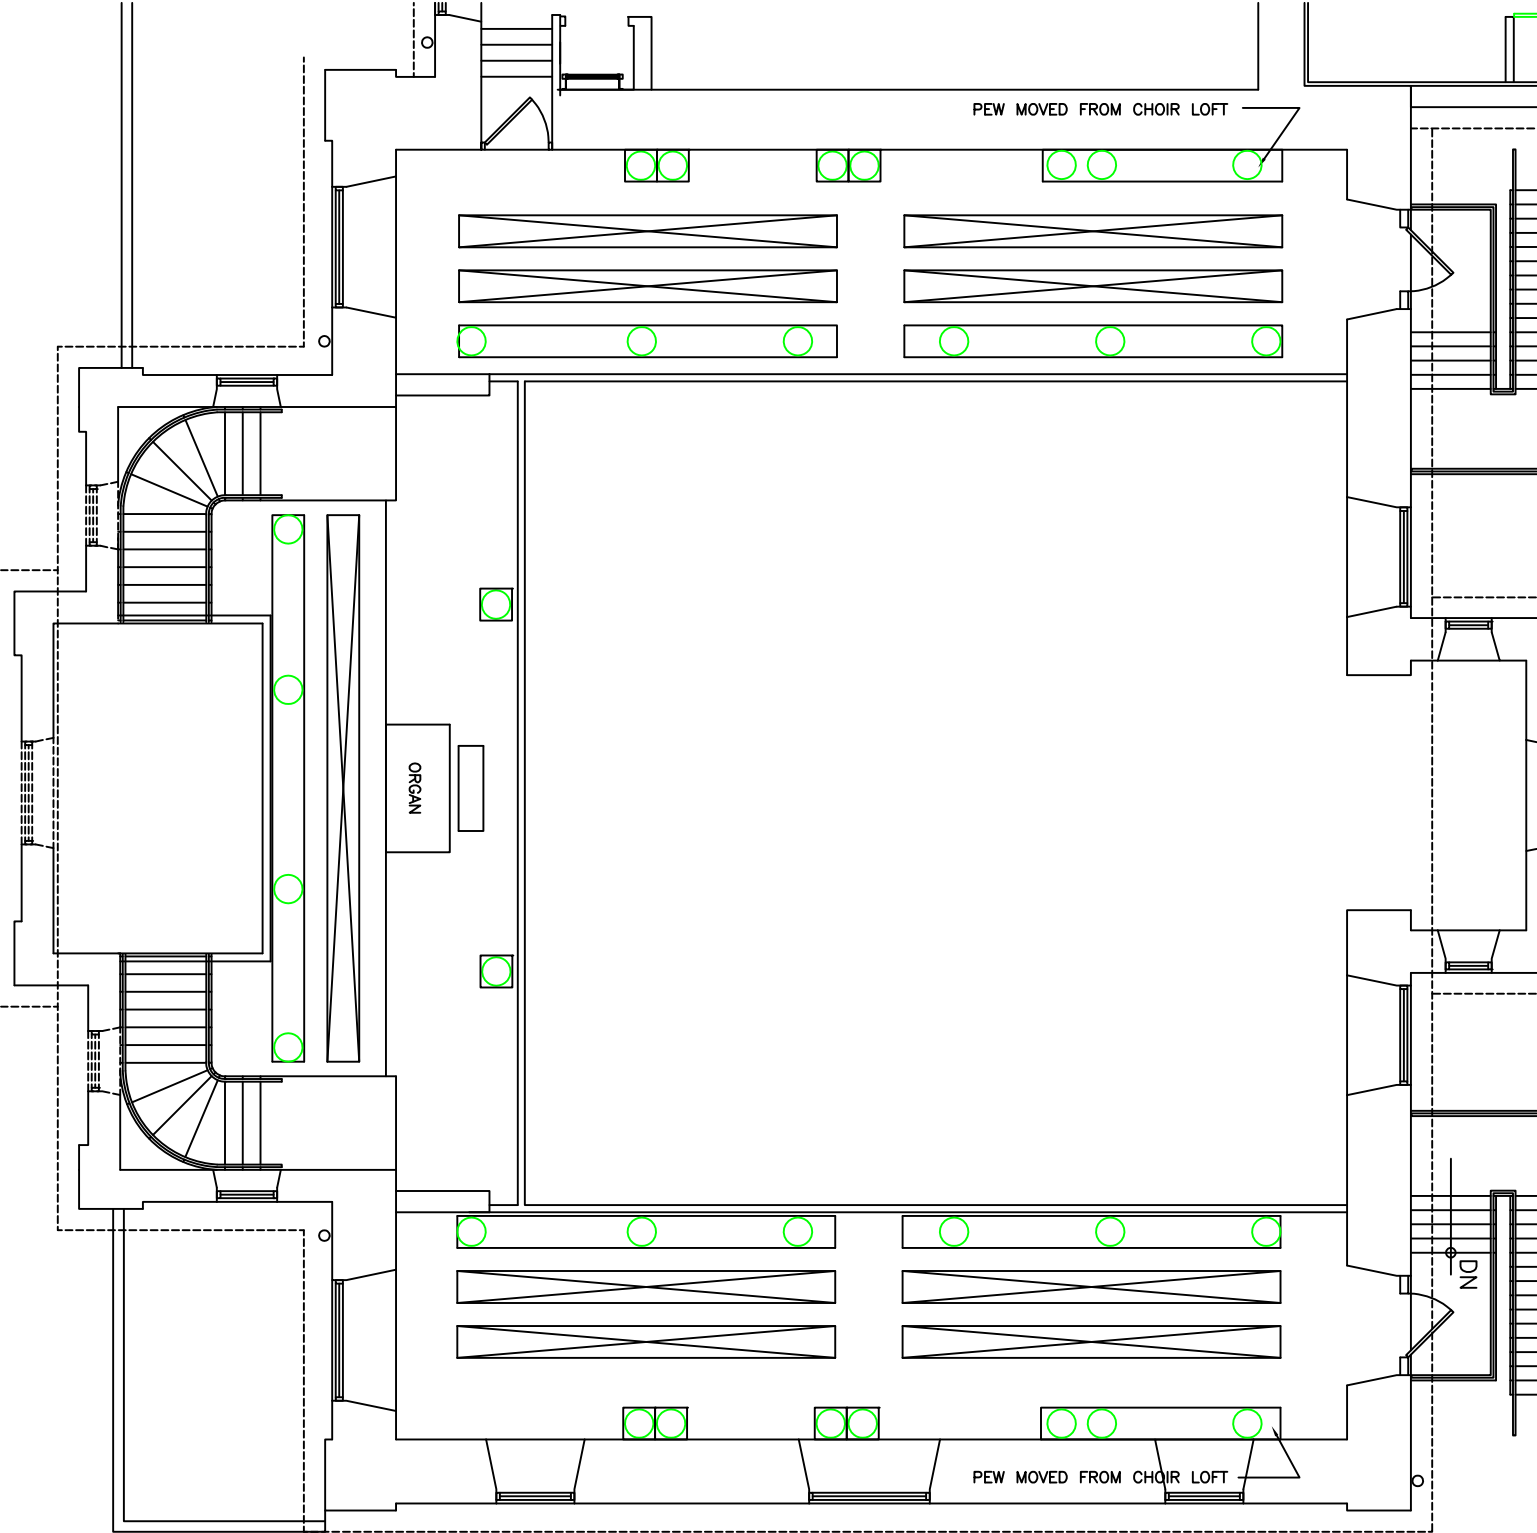

1. At the conclusion of the service please exit promptly when directed. Do not congregate inside.
2. If you are not feeling well, please stay home.
3. If you cannot wear a face mask, please stay home. The goal is to live stream the service and also post it on our web site.
4. If you would normally attend the 10:30 service, please consider attending the 8:00 service. Due to the social distancing requirements the seating capacity has been reduced to approximate 100 seats per service. We need to balance the attendance between the two services as much as possible. Also note, that due to the social distancing requirements the choir will not be singing at the present time. It is anticipated that the same special music will be offered at both services.
5. Email the church office or call the church office this week and indicate which service you will attend on Sunday, October 4, and how many family members your group will consist of.
